EduVinco

THROUGH KNOWLEDGE TO SUCCESS

Every organisation needs to train and certify its people

Clear, accessible standards for knowledge and skills, with results you can verify

eduvinco.com

WHY

EduVinco

Theory and information are already online

What matters is how the information is organised.

Who prepared the content?

Who approved the content?

Is the content available to everyone?

The solution: a structured, approved programme.

HOW IT WORKS

EduVinco

We have digitised the entire process

You provide the specialist material – we turn it into online courses and manage the entire process.

PROGRAMME PREPARATION

01 Specialist material
From your organisation

02 Online courses and tests
Developed by our team

TRAINING AND ASSESSMENT

03 Registration
User account and training programme

04 Learning
Online courses and videos

05 Knowledge assessment
Tests, including a test supervised by a trainer

CERTIFICATES AND RESULTS

06 Certificate
QR code and validity period

07 Reports
In real time

Certificates are renewed if the training programme requires it

Paperless | Real-time overview | Automatic reminders

PLATFORM

AI assistant

Answers questions using only your knowledge base

10 years of development

ISO 9001 · ISO/IEC 27001

Hosted on our infrastructure or yours, at an agreed location

EduVinco

THE PRINCIPLE OF E-LEARNING

I learn anywhere, at any time, on any device, at my own pace

A subject specialist or institution takes responsibility for the accuracy of the material.
